

Results from Town Hall Meeting Questionnaire

Questionnaire Topic: “What to Do With the Former Public School Property at 4501 Park Road.

July 2019

773 completed Questionnaires were submitted to the City. This number includes approximately 30 questionnaires that arrived after the cut-off date of July 19. The findings from those 773 questionnaires are shown below.

41 incomplete Questionnaires were submitted to the City, most of which did not have names or addresses. Several of those deemed incomplete did not include a residential status or a choice of direction for the Park Road property. None of the incomplete surveys were counted.

The overall findings of the 773 completed questionnaires submitted to City:

- 184 = Renovate Existing Building (approximately \$2 million, the maximum allowable amount, based on 50% of the school building’s value because the building is below FEMA flood standards).
- 179 = Build New Recreation Facility without a Pool (approximately \$13-16 million to build, include a gymnasium and amenities to fit current and future needs).
- 358 = Build New Recreation Facility with a Pool (approximately \$17-20 million to build, plus the estimated ongoing costs for indoor pool maintenance and staffing range from \$500,000 to \$1 million annually).
- 52 = None of the Above

263 submitted as “I own a property in Sea Isle City and live here year-round”

- 34 = Renovate Existing Building
- 68 = Build New Recreation Facility without a Pool
- 145 = Build New Recreation Facility with a Pool
- 16 = None of the Above

405 submitted as “I own a property and use it seasonally or rent-out my property”:

- 136 = Renovate Existing Building
- 105 = Build New Recreation Facility without a Pool
- 130 = Build New Recreation Facility with a Pool
- 34 = None of the Above

4 submitted as “Residents of Sea Isle City who live in a rental property”:

- 3 = Renovate Existing Building
- 1 = Build New Recreation Facility with a Pool

101 submitted as “I do not own property or live in Sea Isle City – but I visit here”:

- 11 = Renovate Existing Building
- 6 = Build New Recreation Facility without a Pool
- 82 = Build New Recreation Facility with a Pool
- 2 = None of the Above
