11. Has there been any previous appeal, request or application to this Board or to the Planning Board involving these premises? If yes, state the nature of the application, date of application, date of hearing and result received from Board.

N/A

12. **For all applications:** Attach to this application a statement of facts showing why the relief sought can be granted without substantial detriment to the public good and without substantially impairing the intent and purpose of the Sea Isle City Master Plan and Zoning Ordinance. State why variance relief can be granted

without substantial harm to the neighborhood and without significant overturning of the Master Plan.

13. **For "c(1)" Variances:** Attach to this application a statement specifying the hardship/exceptional conditions of the specific property involved that justify the granting of a variance pursuant to N.J.S.A. 40:55D-70c. State what is unique about your specific piece of property, noting such things as an exceptionally narrow, deep, or otherwise unusually shaped lot; physical features located on the lot that prevent its use in a normal manner that would be allowed by the existing zoning; or the specific location of existing structures that limit compliance with the required zoning. Note how the circumstances relating to your particular lot differ from other lots in the neighborhood. State what hardships would result should the variance not be granted to you. Please note that monetary hardship is considered a personal hardship, and is NOT A REASON for this type of variance relief.

14. **For "c(2)" Variance:** Attach to this application a statement setting forth the facts supporting your position that the purposes of the Municipal Land Use Law would be advanced by a deviation from the Zoning requirements in question, and that the benefits of that deviation would substantially outweigh any detriment to the zoning ordinance or master plan, pursuant to N.J.S.A. 40:55D-70c(2). Among the purposes of the Municipal Land Use Law are the following: promotion of public health, safety and welfare; provision of adequate light, air and open space; establishment of appropriate population densities; provision of sufficient space for agricultural, residential, recreational, commercial and industrial uses and open space; promotion of a desirable visual environment; conservation of historic sites, districts, open space and natural resources; encouragement of senior citizens housing. Cite which of these apply to your application and further, cite the characteristics of your land that will present an opportunity for improved zoning and planning to benefit the community.

15. **For Use and other "d" Variances:** Attach to this application a statement setting forth the special reasons for granting this variance pursuant to N.J.S.A. 40:55D-70d. "Special reasons" exist where a proposed project carries out a purpose of zoning (such as those noted in Section 14 above), or where the refusal to allow the project would impose an undue hardship on you (note that a personal hardship, such as monetary hardship or a hardship you create, cannot form the basis for granting a variance). If you are seeking a use variance, you should also state why the property at issue cannot reasonably be developed with a use permitted by the Zoning Ordinance.

16. **For all applications, if an application was first submitted to and denied by the Zoning Official:** Set forth specifically the determination of the Zoning

Official from which an appeal has been filed and the basis for the appeal (N.J.S.A. 40: 55D-70a), or attach a copy of the Zoning Official's letter to you.

N/A

17. **For Interpretation Requests:** Set forth specifically the Zoning Ordinance section and provisions and/or the portion of the Zoning Map for which an interpretation is sought. Explain what interpretation you are seeking. (N.J.S.A. 40:55D-70b).

18. List all professionals employed by the applicant in completing the application to the Zoning Board of Adjustment and/or intended to be called as witnesses at the hearing on the application.

Block 79.04, Lot 358
7913 Roberts Avenue
Sea Isle City, Cape May County, New Jersey
Our File No. 14150-001**

Dear Ms. Ferrilli:

Please be advised that this firm represents Katherine Hutchinson (the "Applicant") in connection with the above-referenced application seeking "c" variance relief to permit the construction of a new in-ground swimming pool and related improvements accessory to the existing single-family residence.

Specifically, the Applicant seeks variance relief from the minimum rear-yard setback to the water's edge and the minimum building setback to the water's edge in order to accommodate the proposed swimming pool and associated improvements.

The property is a legally existing lot of record located within the R-2 Zoning District and is presently improved with a single-family dwelling owned and occupied by the Applicant. The Applicant proposes to replace a portion of the existing paver patio with a modestly sized in-ground swimming pool. The proposed improvements are residential in character and are intended to enhance the Applicant's reasonable use and enjoyment of the property while remaining compatible with the existing single-family use of the site and surrounding neighborhood.

In support of the requested relief, enclosed herein please find the following:

1. Twenty (20) copies of the Sea Isle City Zoning Board Application Form;

2. Twenty (20) copies of the Sea Isle City Zoning Board Checklist, Fee Schedule and Survey Affidavit;
3. Twenty (20) copies of Swimming Pool Plan prepared by MGC Associates dated September 1, 2025, last revised August 15, 2026;
4. One (1) copy of 200 Ft. Property Owners List;
5. One (1) copy of the Proof of Paid Taxes;
6. One (1) copy of the Applicant's W-9.

Lastly, enclosed herein please find two (2) checks in the amounts of \$500.00 and \$1,500.00 representing the required application fee and escrow deposit, respectively.

Please do not hesitate to contact me should you require any additional documents or information in order to deem this application complete. Once deemed complete please notify me as to the date that the Zoning Board will consider this application and our firm will, of course, provide the required public notice in advance of that date.

Thank you, as always, for your kind attention and usual courtesies.

Very truly yours,

NEHMAD DAVIS & GOLDSTEIN, PC
