

## Mission Statement

It is the mission of the Sea Isle City Police Department to provide a safe environment for all citizens and visitors to the city. This mission is to be accomplished through a combination of training, enforcement of laws and ordinances, and public service.

## Values

**COMMUNITY PARTNERSHIP:** The Sea Isle City Police Department embraces the concept of community partnership. Only through the establishment of a good working relationship can success be achieved.

**PROFESSIONALISM:** The Sea Isle City Police Department will consistently demand the highest level of professionalism from its employees.

**INTEGRITY:** The Sea Isle City Police Department maintains that employee contact with the public should inspire respect and generate cooperation and approval from the public. Ethical behavior shall be the norm and not the exception in our dealings with others.

**RESPONSIBILITY AND ACCOUNTABILITY:** The Sea Isle City Police Department recognizes our role in the community to be one of great responsibility. We embrace this value and will strive to meet this burden. We are fully accountable for the actions of all of our employees.

**EMPOWERMENT:** The Sea Isle City Police Department will encourage decision making at the most effective level and promote citizen responsibility and involvement.

## Vision

It is the vision and goal of the Sea Isle City Police Department to continue to grow and adapt to our ever changing community, and to provide the highest level of service and protection to our citizens. We will accomplish this goal by providing our officers with the tools and knowledge to meet and exceed all present and future needs of this city. We will work in cooperation with our community to address identified areas of improvement, and to continually provide the level of service so deserved by the community we serve.
