WHEREAS, New Jersey is in the midst of a life-threatening opioid abuse epidemic; and

WHEREAS, the State Senate and General Assembly jointly resolved that October 6 shall be permanently designated as Knock Out Opioid Abuse Day in New Jersey in order to raise awareness about the dangers of, and the link between, opioid abuse and heroin addiction and to educate health care providers, community leaders, state lawmakers and members of the public about the opioid abuse epidemic and its effects throughout the State of New Jersey and across the country; and

WHEREAS, there were 23 suspected overdose deaths in Cape May County in 2025 according to the NJ Office of the Attorney General, and 523 of the County's treatment admissions were for heroin/other opiates in 2024 according to the NJ Department of Human Services Division of Mental Health and Addiction Services; and

WHEREAS, the Knock Out Opioid Abuse Day campaign is sponsored by the Partnership for a Drug Free New Jersey in cooperation with the Governor's Council for Alcoholism and Drug Abuse and the NJ Department of Human Services Division of Mental Health and Addiction Services to raise awareness of the potential for dependency on prescribed pain medicine and its link to heroin use rates in our state, reduce stigma of addiction and shine a light on the need for recovery support, and communicate to physicians information on safer prescribing messages found in the Centers for Disease Control and Prevention guidelines for prescribing opioids, which include considering other therapies, setting realistic treatment goals with patients and discussing with patients the positives and negatives of opioids; and

WHEREAS, the City of Sea Isle City supports initiatives designed to raise awareness about opioid abuse in New Jersey and take steps to prevent addiction; and

THEREFORE, BE IT RESOLVED the City of Sea Isle City encourages all residents to utilize the prescription drug drop boxes located at every Police Department in Cape May County, to dispose of unused and expired medications safely and securely; and
